DOWN GOES TARIFF AND ALL

The time is near at hand for the low tariff to take effect. January Platte river, at entrance to Granite first, 1895, two more months, is all we have to clear our tremendous stock in. The time is surely limited, and this is surely your time to west, along the Platte river, a most buy your fall and winter suit and overcoat. There is no harking; no beautiful stream of crystal water.

keeping or carrying over till next season, but now and from now on till back of Buena Vista, a town in the cinity. Glance your eye over these low tariff prices and then come in snow clad and when seen were enand see the goods. They speak for themselves.
